

ESTABLISHED 1991

# STEALTH VALVE & CONTROLS LTD.

The "Application Solution" Company<sup>®</sup>

Exclusive Stocking Distributor for Valves, Actuators, Instruments and Specialty Products Serving:  
Industrial, Power, Food and Beverage, Chemical, OEM, Municipal, Automotive,  
Mining and Commercial Markets

British Columbia • Ontario • Quebec

## DIRECTORY OF PRODUCTS AND SERVICES

Distribution / Manufacturing

### AUTOMATIC CONTROL VALVES

#### ROSS VALVE<sup>®</sup>

Size Range: 1" – 48"

- Pressure Reducing/Sustaining
- Modulating Float Valves
- WaterTamer
- Fire Protection
- Sewage Valves
- Altitude Valves

### AWWA BUTTERFLY AND BALL VALVES

#### PRATT<sup>®</sup>

Size Range: 3" – 120"

- AWWA Butterfly Valves – Size Range: 3" – 120"
- AWWA Rubber Seated Ball Valves  
Size Range: 6" – 60"
- Venturi Flow Meters – Size Range: 1 1/2" – 102"
- Plug Valves – Size Range: 1/2" – 24"
- Cone Valves – Size Range: 8" – 48"
- Sleeve Valves – Size Range: 6" – 48"

### BACKFLOW

#### CONBRACO<sup>®</sup>

- Plumbing and Heating Products
- Backflow Preventers – Size Range: 1/4" – 10"
- Sewage Treatment Ball Valves

### BALL VALVES

#### PMP PRECISION VALVE<sup>®</sup>

Size Range: 1/4" – 24" ANSI 150 – 300 lb

- Bronze 316 Stainless Steel/Carbon Steel Threaded/  
Flanged Socket Weld
- 3 Way Diverting and Tank Valves
- 3 Way Flanged Circulator Pump Valves  
Size Range: 1/4" – 4" Threaded – 1pc, 2pc and 3pc  
Size Range: 1/2" – 30" Flanged  
3-way, 4-way and 5-way
- 316 Stainless/Carbon Steel Ball Valves
- ISO Direct Mount Pneumatic and Electric Actuation
- Stainless Steel Gate, Globe, Check Valves
- Stainless Steel "Y" Type Strainers
- Knife Gate – Manual and Automated
- Wedge Gate

### BLANKET INSULATION

#### INSULTECH<sup>®</sup>

- Thermal Blankets – 450 to 1300° F
- Acoustic Blankets – 1" – 4" thick
- Thermal and Sound Surveys available

### BUTTERFLY VALVES

#### BRAY CONTROLS<sup>®</sup>

Size Range: 1" – 72"

- Resilient Seated Butterfly Valve Actuators  
and Controls
- High Performance **BrayLok<sup>®</sup>** Butterfly Valves  
ANSI 150 lb – 600 lb – Size Range: 2 1/2" – 42"
- High Performance Fully Lined PTFE Chemical  
Butterfly Valves
- **Bray<sup>®</sup>** Device Net, Field Bus Systems

### CHECK VALVES

#### CRISPIN<sup>®</sup>

- Tilting Disc Check Valves
- Silent Check Valves
- CRISPIN<sup>®</sup> Rubber Flapper Check Valves

#### HDL<sup>®</sup>

- Full Port Ball Check Valves  
Size Range: 1 1/4" – 16"

### COUPLINGS/STAINLESS STEEL

#### YNC<sup>®</sup>

- Pipe Couplings (Process Piping/Distribution)
- Repair Couplings – Size Range: 3/4" – 72"

### DAMPER VALVES

#### STEALTH INTERNATIONAL INC<sup>®</sup>

Size Range: 3" – 60"

- Specialized Damper Valves 0 – 15 PSIG
- Flanged/Wafer (Class I thru V Leakage Rate)
- –40° to 2300° F Temperature Range

### DEFLECTOR VALVES

#### STEALTH INTERNATIONAL INC<sup>®</sup>

Size Range: 12" – 48"

- Flanged 150 PSIG

## DIRECTORY OF PRODUCTS AND SERVICES

Distribution / Manufacturing

### DIAPHRAGM VALVES

#### TRU-TECH VALVES<sup>®</sup>

- Weir and Straight-through
- Screwed – Size Range: 1/2" – 3"
- Flanged – Size Range: 1/2" – 8"
- Manual and Fully Automated (fail safe)

### ENERGY DISSIPATING VALVES

#### STEALTH INTERNATIONAL INC<sup>®</sup>

- Model IBC Flow Valve – Size Range: 4" – 60"
- Pressure and Flow Control

### KNIFE GATE VALVES

#### STEALTH INTERNATIONAL INC<sup>®</sup>

Size Range: 2" – 24"

ANSI 150# 316 Stainless Steel/Cast Iron

- Manual and Automatic
- Metal and Resilient Seated (TAPPI)

### METAL SEATED HIGH PERFORMANCE VALVES

#### ADAMS<sup>®</sup>

ANSI 150 lb – 600 lb – Size Range: 3" – 48"

- Bi-directional Metal Seated Bubble Tight

### POSITION INDICATORS

#### MONITEUR<sup>®</sup>

- Valve Position Transmitters
- Rotary and Linear Positioners
- Position Indication

### PVC VALVES

#### PRAHER<sup>®</sup>

Size Range: 1/2" – 4"

- Ball Valves
- Check Valves
- Flanged Ball Valves

### RELIEF VALVES

#### CRISPIN<sup>®</sup>

Size Range: 1/2" – 24"

- Air, Vacuum and Pressure Relief Valves

### SLUICE/SLIDE GATES

#### HYDROGATE<sup>®</sup> (division of PRATT<sup>®</sup>)

- Cast Iron Slide Gates (AWWA)
- Flap Valves
- Fabricated Slide Gates
- Repairs and Field Service

### SLURRY VALVES

#### LAROX FLOWSYS<sup>®</sup>

Size Range: 1" – 40"

- Abrasion Resistant Pinch Valves
- Manual, Pneumatic, Hydraulic, Electropneumatic Positioners
- 0 – 2500 PSIG Working Pressure
- -60° F to 248° F Temperature Range

### ACCESSORIES

#### STEALTH INTERNATIONAL INC<sup>®</sup>

- Torque Tubes – Carbon/Stainless Steel
- Shaft Extensions – Carbon/Stainless Steel
- Pedistals (Double Plate)
- Wall Brackets – Carbon/Stainless Steel

### SERVICES

#### Fabrication

- Skid-Mounted Pump Systems
- Specialty Fabrication and Machinery
- Spool Pieces
- In-field Retro-fitting/Repair
- Fabricated Skid Packages
- Site Commissioning and Field Service

#### Valve Automation

- Complete Valve Automation
- All Quarter-turn and Linear Control Valves
- Automation and In-field Retro-fitting
- Brackets and Adapters Valve Mounting
- Automatic Pump Priming Systems
- **Sure-Flow<sup>®</sup>** Strainers – Automatic Strainers

*Our staff thanks you for your interest in our products, we look forward to serving your application requirements.*
